# The IABSE Young Engineers Colloquium East Asia and Germany 18 May 2025, Tokyo, Japan

[Home](#)[Event](#)[Technical Programme](#)[Sponsorship and Registration](#)[Design Competition](#)[Paper Presentation](#)

## OBJECTIVE

The primary objective of this colloquium is to help young structural engineers (under the age of 40) make friends, learn from each other, and develop their professional career together. It aims to offer a platform to present their researches, projects, and innovative design ideas. The event is organized by the IABSE National Groups of Japan, China, Korea, Hong Kong and Germany and we welcome young engineers in the world.
