## Welcome to IABSE Congress Nanjing 2022!

This IABSE Congress is organised by the Chinese Group of IABSE in co-operation with Tongji University, Jiangsu Provincial Transportation Engineering Construction Bureau, Southeast University, Nanjing Public Works Construction Center. The Congress will maintain a traditional onsite format with the option to participate online. The congress theme will be “Bridges and Structures: Connection, Integration and Harmonisation”. Topics will include traditional bridges and structures, and will also include new elements such as Artificial Intelligence and dealing with Covid-19. The programme will comprise renowned Keynote Speakers, Plenary and Parallel Sessions. Technical Visits will go to construction sites of amazing future world record breakers: the longest cable-stayed bridge and the longest suspension bridge, as well as other elegant buildings and bridges.

### WHO IS INVITED?

Scientists, experts, designers, contractors and all those who are interested in advances and problems in civil engineering, structures and bridges are invited to join the Congress for the exchange of experiences, dissemination of specialist knowledge and information in various fields of structural engineering.
