## Submission Requirements

Submission of entries may be made under any of the categories listed below with the exception of the Gold Star Award. If a project does not strictly conform to any of the category descriptions, then it should be submitted under a category that most aptly describes the project in question.

Projects may be entered in up to two categories. However, projects submitted in two categories shall only be eligible to win an award in one category. The Jury will consider the project under both categories and will decide in which category to make an award, if any. The Jury also reserves the right to reassign a project to a different category if it is considered more appropriate in that category.

To be eligible for the award, the project must have been completed after **31<sup>st</sup> March 2023** (i.e. no more than two years before the deadline for submissions.) Projects may only be submitted once.

Entries shall comprise of three parts – Entry Form, Supporting Information and Payment. These shall be submitted online only via the link below.

**Note:** Entries provided on a CD, USB or any other medium will not be accepted.
